01 PROFILE

I am an AI developer with 2+ years of experience. I like to use the newest solutions and come up with my own.

02 EMPLOYMENT HISTORY

Jul 2017 — Jun 2018

Cracow

Trainee at ES-SYSTEM S.A.

My main task was:

- Preparation of assembly drawings
- Keeping project documentation
- Working with database

Jul 2018 — Present

Cracow

AI Developer at Codahead sp. z o.o.

My main responsibilities is solving problems for solutions that require machine learning. I also did demo applications on Android and iOS platforms for PoC preparation.

- I've been writing pipelines for training neural network.
- Creating, managing, filtering datasets,
- Researching modern articles on machine learning and implementing these solutions.
- Preparation of demo applications using Neural Networks on Android and iOS
- Using the OpenCV library, implementation of the code related to computer vision
- Writing articles about machine learning and more
- Worked well independently and on a team to solve problems.
- Deploy PyTorch models on Azure ML

03 EDUCATION

Sep 2014 — Sep 2019

Cracow

AGH University of Science and Technology

Master of Science

I graduated ***The Faculty of Mechanical Engineering and Robotics*** **- Automatics and Robotics**

04 SKILLS

OpenCV	●●●●●	Kotlin	●●●○○
Python	●●●●○	Java	●●●○○
Machine Learning	●●●○○	Linux	●●●○○
